Rules of Thumb for down loading Drawings

[Document Viewer List](#)

(Downloaded 01 (Last updated 27, 2002))

The Drawing files are done with a program called **Source View**. These file are then compressed using WinZip. It is necessary to download **all** of these files into a single folder, **unzip** them and then click on the **"Install"** icon to utilize the **Source View** program. Once the installation is complete click on the **Svreader.exe** icon, select **SVREADER** title and **OK**.
